Large 2 bedroom home with small yard & enclosed carport + sh

This storm strength home has a very long carport as well as a shed in the rear which you can see in the picture which has doors to the carport & walkway. Painted internally + new curtains about 9 years ago. The special curtains are able to be vacuumed to keep them clean. Appointment to inspect can be arranged if you'd like see if it would suit you? Front porch is quite a large area. The 2 bay windows in the living area are part of the 'open plan feel'. There are 2 bedrooms with built-ins & it's really a spacious design. 2 air conditioners (one is just being replaced). The kitchen has a breakfast bar with cupboards & there's a Westinghouse electric upright range. Separate toilet from the bathroom, which has shower, vanity + heat lights! Some disabled fittings. Roof replaced 2022 after hail storm October 2021.
