This beautiful property offers so much:

The dark external colour palette draws you in from the very onset, accents of quality and style in a contemporary 4 bedroom finish, 2 stylish bathrooms & all the bells and whistles to keep you extremely comfortable.

The heart of the home is a stunning, dark stone set kitchen, boasting cupboard storage & quality appliances, which are sure to keep the home chef happy!

This space seamlessly follows to an undercover alfresco area that over looks the quaint backyard.

Automatic roller blinds are a classy touch here, giving you the sense of added privacy in your own, private corner. Access to the yard is available by rear gates on Arrowgrass St.

Revisiting the interior, an offset study or rumpus room adjoins the open plan living, a great little space for the kids or those working from home. Split system air ensures your year round comfort & the polished tiled flooring again conveys that sense of style & sophistication.

The location is absolutely superb, situated only a short distance from the McKeachies Run Shopping Centre, day care options, recreation facilities and more!
