WINGHAM OLD WORLD CHARM

3 bedroom cottage on a corner block. The lovely, wide Queen Street is quiet yet well-located to Wingham town centre and the Wingham Plaza shopping centre.

The property is deceptively large inside and has a good-sized backyard that is fully-fenced with an outside deck area, plus a double lock-up garage with steel benches and power.

This home features three/four bedrooms with an ensuite off the main bedroom with several options for a home office and additional rooms.

There are high ceilings with fans throughout and air conditioning ? all adding to a cool home during the hotter times.
