Affordable and Profitable Family Business For Sale

Absolutely Fabulous Garden Centre has been a perfect husband and wife business for many years now and is so well established that the next couple can take real advantage. More than just a nursery it offers landscape design and construction that can add a real upside to what is already a profitable business. A long term 3 x 3 year lease is in place at ideal site with both indoor and outdoor display areas and located in a highly visible site on Jubilee Street in the Townsend industrial area.

Open for Inspection

By Appointment.

It's a one stop shop for all your horticulture needs from residential to commercial supplies. There is a long list of inclusions to the sale and list of suppliers. The transition to new ownership should be seamless with the current owners willing to provide training and support for a period of time to ensure the incoming business owner will be successful.

If gardening, horticulture or landscaping is your passion why not make it your profession! Call or email for details today.
