

16 Saint Andrews Cct, Thurgoona, NSW 2640

Sold - \$560,000

House 5  2 

FIVE BEDROOM FAMILY HOME

Every portion of this 859m2 block has been utilised to maximise the property's space while minimising maintenance requirements.

This expansive family home encompasses five bedrooms, two bathrooms, two living areas, a covered outdoor area, and a dedicated home office space. Positioned at one end of the house, the master bedroom features an ensuite with a corner spa and a generously sized walk-in robe. The other four bedrooms and the family bathroom are positioned at the opposite end, ensuring a sense of separation between the parents' and kids' wings.

The open-plan kitchen, living and dining area provides endless possibilities for family living. The spacious kitchen boasts a freestanding gas cooktop, stainless steel dishwasher, ample bench space, and storage options. Complemented by vinyl floors, the entire zone is seamlessly connected and exudes a bright, airy ambience while remaining easy to clean.

For comfort year-round, the property features ducted gas heating, evaporative cooling, and two split systems catering to the entire family. External amenities include three car spaces, a covered outdoor pergola, an approximately 10m x 6m shed, and an 8m x 3m pool, this home ticks a lot of boxes.

Nestled in highly regarded Thurgoona, this neighbourhood is known for its family-friendly environment. Conveniently located near the Plaza, sporting fields, schools, and a service station, with one of the finest golf courses just a short distance away.

Don't miss out on this fantastic opportunity to own a spacious five-bedroom home. Contact us immediately to secure your chance.
