Nestled in tropical gardens and recently built with picture-perfect craftsmanship, this double-story Hampton style gem combines timeless elegance with modern amenities. Located just a level stroll to Newport Beach, village, and city transport.

Here's what you'll find inside:

Four spacious bedrooms each one designed to provide comfort and relaxation, with ample space for all your needs. Master bedroom with ensuite, walk in robe and water views.

The sun-filled open plan living areas are perfect for entertaining or enjoying quality family time. High ceilings, large windows, and polished timber floors create an inviting atmosphere.

Channel your inner chef in the fully equipped gourmet kitchen fitted with high-end appliances, sleek cabinetry, stone benches, island bench and servery to the outdoor entertaining deck.

Dive into the refreshing waters of your very own private pool. Beat the summer heat or simply unwind after a long day with a relaxing swim. Enjoy the perfectly manicured level lawn, a great space for outdoor activities, picnics, or even some yoga. Let the kids run around or simply enjoy the serenity of nature.

If you require a spot to focus or work from home? The fourth bedroom can also feature as a dedicated home office or study room, allowing you to achieve a perfect work-life balance.
