If you're looking for a solid home for the family in a convenient location, or a smart investment opportunity, then this one represents exceptional buying value, appealing to both the owner occupier and the investor alike.

It's not often that you find a home that is completely original and untouched, this home has been well loved by only one owner since the day it was built! As you walk in you'll be presented with the living room, dining room and original kitchen, down the hall you have 3 generous sized bedrooms, single bathroom and a laundry with ample space. Find your way into the backyard that features a great undercover entertaining area with the perfect yard for the kids or grandkids to run around in.
