BEACHSIDE UNIT WITH POOL

If you would like a holiday unit to escape to, across from the beach and with a pool in the complex, here it is. The unit is masonry block and fully tiled. It has a kitchen and bathroom combined laundry. The unit is light and bright, with lots of sunlight coming in from the sliding glass doors. These lead out to a small courtyard where you can sit and enjoy the lovely sea breezes.

Open for Inspection

By Appointment.

The complex is directly across from beautiful Hansen's Park and Queens Bay Beach. You can wander over to the markets on Sunday morning, or enjoy the walking track all the way down to Horseshoe Bay. Then come back for a lovely cool, refreshing dip in the pool. The complex also has lovely maintained gardens in the front and there is a place to park your car in the carport in the back.

With a little TLC, you could make this unit your beach haven. Until you're ready there is a long term tenant in the unit. Organise to view it today.
