Natural Health Business Online Opportunity – Fontanelle Heal

Fontanella Health Pty Ltd

Ready to Trade Online Business Opportunity

Fontanella isn't just a brand. It's a testament to the relentless pursuit of health and happiness by a visionary – Dr. Mike Pukanic.

Open for Inspection

By Appointment.

In a world overwhelmed by synthetic solutions, Dr. Mike and his wife, Dr. Alka, both medical doctors, delved deep into the heart of nature to create herbal remedies. Born from their joint experiences in medical consultation and research, Fontanella emerged as a beacon for women navigating the tumultuous journey of menopause.

Why Fontanella?

Natural Health Championed:

Using exclusively naturally sourced ingredients, Fontanella aims to alleviate the complex symptoms of menopause - from hot flashes to anxiety. Every product reflects a commitment to natural health, herbal medicinal solutions, and the intricacies of the female body.

The Legacy Lives On:

After years of establishment and strong product foundations, Fontanella is poised for its next chapter. It offers a unique opportunity for an entrepreneur or business that recognises the potential of this brand's legacy, the market growth, and the evergreen value of natural health solutions.

Everything's Ready to Bloom:

With stock included that retails over \$270,000, TGA approved formulas, and a brand-new company ready for instant online trading, Fontanella stands as a complete package.

Key Inclusions:

- TGA approved formulas: Menopause Formula, Memory Boost Formula, Super Antioxidant, with the potential for more.
- Fontanella and Super Antioxidant trademarks.
- Ready made contacts from manufacturers to designers
