Inspiring design and interiors by Ian Traill Architects following a comprehensive reimagining of the house both inside and out - the house has been fully upgraded with nothing extra to do apart from simply enjoy. The interconnecting pavilions with sensuous curved roofs that showcase the interesting zones and levels of the residence built to follow the natural landscape and connect to the grand outdoor entertainment decks. Each of the three pavilions are dedicated to different relaxed living functions.

One - Dining and entertaining

Two - Relaxation and parent's master suite

Three - Children's quarters

"The Studio" to cater for guests and has been designed to mirror the roof aesthetic of the home

The views are stunning. The aspect being northwest is perfect. The setting is world class.

The location accessed by boat is incredible. To tell you more will spoil the magic of first entering the doors of this very special and select offering, we invite you to experience and treat your senses and soul.
