Huge Family Home in Quiet Position

The Peak is located in the most elevated position in Heathwood off Wadeville Street.

The precinct comprises 86 lots to be constructed over two stages.

Situated approximately 19 kilometers southwest of the Brisbane Central Business District (CBD), Heathwood is a residential area known for its family-friendly environment, parks, and convenient access to amenities.

Heathwood is primarily a residential suburb, characterized by a mix of modern houses and townhouses.

The suburb is popular among families and professionals looking for a peaceful and suburban lifestyle within close proximity to the city.

Heathwood offers several parks and recreational areas, providing residents with spaces for outdoor activities and leisure.

The suburb is home to Heathwood Park, a large green space with playgrounds, sports fields, and picnic facilities, making it a popular spot for families to gather and enjoy.

The suburb is well-served in terms of education facilities, with several schools located nearby.

These include primary schools and high schools, providing convenient access to quality education for families with children.

Heathwood is connected to other parts of Brisbane through major road networks, including the Logan Motorway and the Gateway Motorway. This allows for easy commuting to the Brisbane CBD and other surrounding areas.

While Heathwood itself is a primarily residential area, residents have access to nearby shopping centers and amenities.

The suburb is within a short drive of shopping precincts such as Forest Lake Shopping Centre and Inala Plaza, offering a range of retail, dining, and entertainment options.
