Townhouse 3  2  1 

Modern Designer Townhouse

This modern designer townhouse offers low-maintenance living in an ultra convenient location just moments away from Condell park's schools, shopping village, club and public transport! More like a house than a townhouse, it has its own private street frontage with automatic lock-up garage and entry which boasts a light-filled floor plan that opens out to a generous sized grass courtyard, perfect for the little one to play until hearts content with security giving mum and Dad piece of mind! Upstairs includes three extra sized bedrooms with built-ins, stunning modern bathroom with bath. Keeping consistency with all modern finishes you will also be impressed with the added bonus of ducted heating and cooling throughout to retain maximum comfort leading up to these hot summer months. This townhouse is incomparable to it's competition on the market due to its abundance of features and supreme location. A must to inspect!
