The Aspect Release - The Crescent - Vacant Land Release

The Arissa Group and RPM in conjunction with Crescent Head Real Estate are proud to present you the "Aspect Land Release", being stage two of "The Crescent" subdivision.

The estate located some two minutes' drive from the village centre and back beaches will promote an active outdoor lifestyle featuring a 3862 square metre park. This development will feature large open spaces, beautiful gardens and parklands creating a sense of tranquility for its residents.

This lot, number 28 is located on the high side of the entrance road into the subdivision. Approximately 220 metres from public park and playground. With a northwestern aspect and slightly higher elevation, this lot will make a dream home.

For more information on the lot or other lots in this estate, or to view the land, please contact the team at Crescent Head Real Estate on 02 6566 0500
