The apartment is over 100sqm of living and has the added luxury of a generous sized courtyard. The high ceilings and Wide oak timer floors, combined with the open-plan living design create an amazing sense of spaciousness throughout the apartment, while stone bench tops/splash backs, Miele appliances (including gas cook top, electric fan forced oven, range hood, baking microwave and dishwasher) and double-glazed windows prove there was no expense spared in the building of these apartments.

There are 2 large bedrooms, master with walk-in robe and ensuite. The second bedroom is also double-sized and has a semi-ensuite. There is also the bonus of a study nook, ideal for working from home.

Other features include split-systems for year-round comfort, genuine laundry, one basement car spot, storage room and great proximity to multiple bus routes!

Call now to arrange a viewing time and experience this high-end living for yourself!
