Unique B&B Investment

Redrock Retreat is a rare opportunity to secure a quality B&B with a character home with two quality chalets on a picturesque block in south east Queensland. The prospects are endless here for dual living, extended families, or continue the existing Boutique B & B which has been successfully established and can be taken to the next step. Located under 10 minutes drive from Kingaroy, the 45 Acres property is set on an elevated position boasting commanding day & night views of the Boobie valley and Blackall Range.

The residence consists of a beautiful 2 bedroom Queenslander with sleepout, 1 bathroom, large living, spacious kitchen with timber floors, high ceilings and sun soaked entertainment deck.

Tranquilly positioned and separate to the main residence are 2 individual free-standing impeccably presented chalets offering peace and privacy. Each chalet is tastefully decorated with all the furnishings you would expect from a luxurious B&B. Features include polished timber floors, modern bathrooms, stylish kitchenette and a private deck on which to relax and enjoy the views.

There was a previous DA for 2 more cabins and there is plenty of room for further development. With the accommodation shortage in the region it may be a lucrative investment to expand the operation.

- 9 rainwater tanks
- Back to grid solar 5.7 kw
- Reception/office
- Cattle yards
