Stylish Ground Floor Residence!

Wiseberry proudly presents this one bedroom, ground-floor gem strategically designed for a convenient lifestyle, that seamlessly combines style and functionality.

Open for Inspection

By Appointment.

Experience the indulgence of a luxurious bathroom, complete with a bath and shower, shaping a private retreat, while parking becomes effortlessly convenient with a dedicated space that includes storage.

The spacious outdoor courtyard, accompanied by a covered alfresco area, offers an ideal setting for entertaining or quiet relaxation, all while ensuring year-round comfort with a split system air conditioning system and plush carpeting throughout.

Illuminate living spaces with modern downlights, while the well-equipped kitchen, featuring gas cooking, appeals to culinary enthusiasts, and enhance the alfresco experience with sliding louvre shutters that offer control over light and airflow.

This property not only offers a delightful living space but also ensures easy access to nearby amenities, achieving the perfect blend of comfort and a strategic location, inviting you to make it your own and relish in the convenience of its positioning near essential services and recreational options.

Embrace a lifestyle of comfort and convenience in this inviting residence, schedule a viewing now, and seize the opportunity to make it uniquely yours.
