House 3 2 2

Elevate Your Lifestyle

This 3 bedroom home on 6.8 acres was tastefully renovated with owners intending to spend many years here. As such, no expense was spared and the owners change in circumstance is your opportunity to walk into a virtually brand-new home with all the hard work taken care of.

By Appointment.

At the heart of the home is a designer chef's kitchen and is an entertainer's dream. Features include:

- Island bench over 3 metres long
- Oliveri Vilo pull out spray mixer with matching and black granite sink
- New appliances including 900mm Westinghouse 5 burner gas stove and dishwasher
- An abundance of storage with soft close draws throughout
- Puretech water filtration system with large diameter housings

The renovation was completed with privacy and comfort in mind. The east facing veranda overlooks a rural landscape and no neighbours. It's the perfect spot for a morning coffee in the sun and afternoon drink in the shade.

The spacious master suite opens on to the veranda and features an ensuite with a combination waterfall shower and parents' retreat/study. The cozy loungeroom with wood burning stove opens onto the back veranda as does the laundry.

Other features include:

- Panasonic 6kw + 3.5kw Reverse cycle air conditioners
- New water pump and grey water pump
- New bio cycle and electric hot water system
- Plenty of water storage with a large dam and tanks providing 75,000L of water storage
- 2 x 25,000L
- 2 x 10,000L
- 1 x 5,000L

There is undercover storage for 5 vehicles without opening either of the 2 large sheds as both have awnings and 2 additional garden sheds.
