Seldom do opportunities to secure a property of this calibre present themselves in the rental market. Suitable for a professional, downsizer or someone looking to live in a beautiful location close by to St Vincent's Private Hospital, The Range Shopping Centre and the Eastville retail/casual dining complex.

The living and dining area is the hero of this property, with large glass windows capturing the stunning views. There's also plenty of privacy with the day/night roller blinds and plantation shutters. The dining room features modern and comfortable furnishings including a television and even frames hung on the wall ready for you to insert your own art and photos to make it your own.

You'll love the central kitchen from the stone benchtops, to the island bench with built-in wine storage rack, and the brand name appliances including a wall oven, electric cooktop, dishwasher and double door refrigerator with ice maker, there's even an air-fryer. The cabinetry is high quality with plenty of storage space and all of the self-contained kitchen utensils, cutlery and crockery.

The property boasts two carpeted bedrooms, both with built-in mirrored door wardrobes. The central bathroom is cleverly designed to also fit the laundry with a front loader washing machine and dryer for your use. Outside the bathroom is the separate toilet.

Ducted air-conditioning throughout the unit enables you to control the temperature year round.

As a part of a well-maintained apartment building and complex you benefit from lovely manicured gardens at the front. The unit comes with a single carport and a secure storage locker. In a complex of primarily owner-occupiers, you can rest assured you're surrounded by other quality neighbours providing safety and security.

Features include:

- Fully furnished and self-contained penthouse apartment
- Spacious living/dining area with views
- Day/night roller blinds + plantation shutters
