The home itself has undergone recent modernization, ensuring a seamless fusion of style and functionality. The oversized open-plan kitchen is a chef's delight, boasting new appliances and ample space for culinary creativity. The adjoining meals and family area, adorned with elegant timber laminate floors, creates a warm and inviting atmosphere – perfect for family gatherings or entertaining friends. Other internal features include robed bedrooms with full ensuite and WIR to master, separate lounge and ducted heating and cooling.

Outdoor living takes center stage with the garden seamlessly extending into outdoor rooms, creating a picturesque setting for al fresco dining and entertaining. The above-ground pool adds a touch of luxury, inviting you to cool off on warm summer days. A paddock on the property presents an ideal opportunity for those with equestrian interests or a desire for additional open space.

The generous double garage with internal access ensures ample space for vehicles, while sundry shedding provides storage solutions for the avid gardener or hobbyist. This property embodies timeless design, offering a harmonious blend of aesthetics and functionality, all located within easy reach of the town centre and freeway.
