A thoughtful renovation maximises space and light with many original period details including lofty ceilings and timber flooring retained. Open plan entertaining and indoor/outdoor connection are at the very heart of the home with a stunning kitchen (DW) complete with walk-in butler's pantry and island bench overlooking an expansive dining and lounge area opening via bi-folds to a glorious undercover alfresco deck.

An additional deck with pergola leads the way to the extensive and very private rear garden, an oasis for family activities. Accommodation comprises the master suite featuring a walk-in robe and ensuite, two further bedrooms fitted with built in robes, a generous home office which easily doubles as a fourth bedroom and a luxe family bathroom with deep bath.

Additional features include a security remote gate to the carport and further off street parking, garden shed connected with electricity, multiple split system air-conditioning units, ducted heating, evaporative cooling, water tank, plumbed gas BBQ facilities, full size laundry, grey water recycling and abundant storage throughout.

This peaceful family sanctuary is enviably located close to verdant Wattle Park, Cooper Reserve and Lynden Park for leash free dog parks and sporting club activities, Toorak Road shops, city bound transport, Deakin University, PLC, Kingswood College and Wattle Park Primary School.
