Your heart will miss a beat, when you check out the location of this seaside stunner. It is big enough for the whole family and the garden is ornate and pretty and will appeal to those with a green thumb.

Featuring 4 good size bedrooms, the master has an Ensuite and Walk in robe and 2 other bedrooms have built in robes.

The residence has a north facing formal lounge at the front (ideal to relax in, in winter) and a delightful, well equipped kitchen overlooking the family/meals area situated in the hub of the home, for the whole family to enjoy.

The property is climate controlled with ducted reverse cycle air conditioning throughout and it has roller shutters to the main windows. A further huge plus is the solar system, that will help out with your electricity bills.

Relax in style under the veranda or take a stroll to the beach, live like you're on holidays all year round.

The first to see will love, so please register your interest online for an open asap.
