Highlights:

- Light-filled interior with full-height window banks/sliders onto a large alfresco balcony
- Prized by the Broadwater location for cooling sea breezes and waterside wanders
- Use of Portia's fully maintained indoor lap pool, sauna, spa, games room, gym and BBQ area
- Secure undercover car bay plus a handy storage cage for bikes, boards and more
- Close to medical services + shops, cinema, and fashion at Queen St Village and Australia Fair

The oversized entertainer's balcony embracing the carpeted combined living and dining area next to the kitchen, along with a smaller private balcony off the second bedroom, are standout features of this fabulous apartment.

These valuable open spaces to dine with friends outdoors, sip a quiet cuppa before the workday starts, or take in Portia's manicured gardens, are on full display through abundant, black-framed floor-to-ceiling glass that bathes the apartment's high-ceilinged interior in tranquil natural light.

Overlooking the main balcony and the air-conditioned or fan-cooled living/dining area is a galley-style kitchen with parallel work benches housing a gas cooker with rangehood, an undermount oven, microwave nook, twin sink and generous cabinetry. This space-savvy cooking zone flows into a functional laundry with a trough, washing machine and a wall-mounted dryer.

Distancing the social area from the rest of the apartment is a central passage leading to a bonus study alcove, the main bathroom and two carpeted bedrooms - both with wall-mounted air conditioning units and sliding door robes.

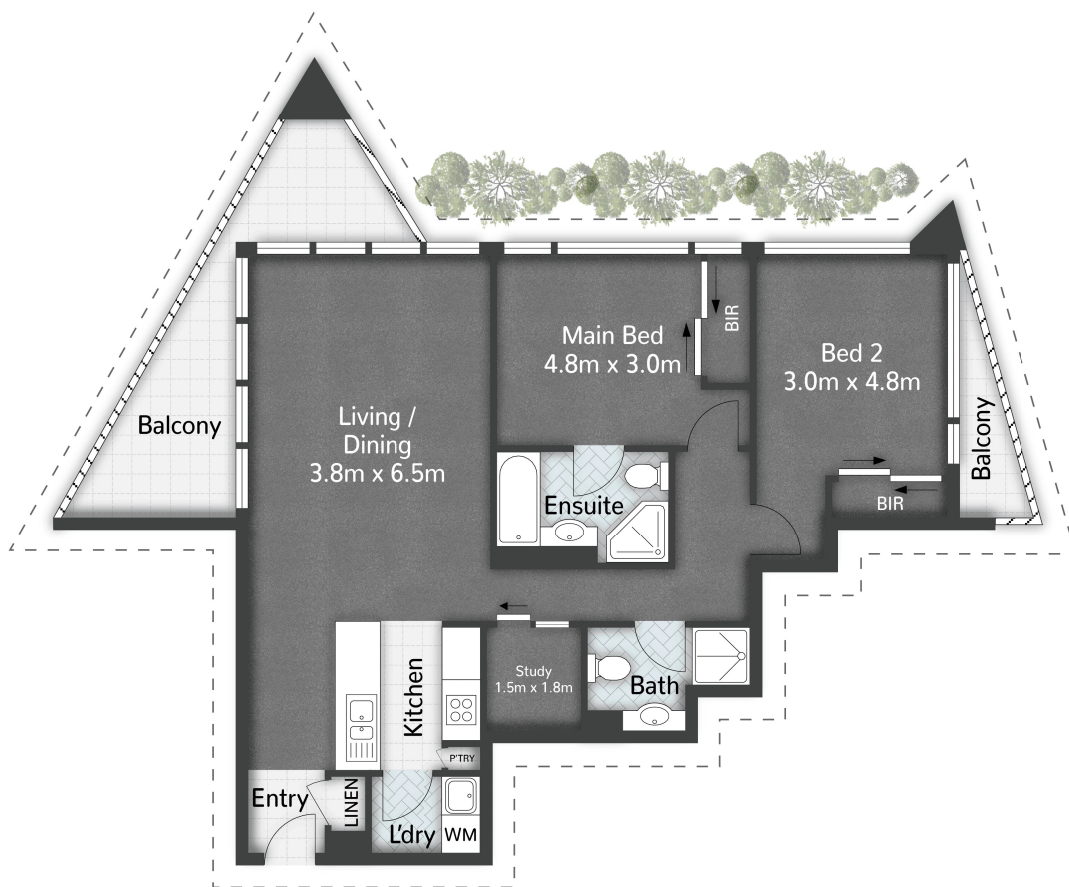

The larger master has extra space and a luxuriously appointed ensuite with both a shower and bathtub, while the second room next door enjoys exclusive access to its balcony.
