This is the preferred layout of the complex, being at the end of the building there are a number of extra windows that allow the sunshine through and open up for the fresh breezes. Building 1 is also the only building overlooking the nature corridor that runs through Johnston giving the property a fantastic aspect. Finishes inside the property include large polished floor tiles through out, stone tops in the kitchen with water fall ends and breakfast bar and fully airconditioned through out. There is an ensuite off the main bedroom and a private balcony that overlooks natural bushland next to the complex. Both bedrooms include mirror front built in robes and are a comfortable size.

Features include:

- * Quality complex with great amenity
- * Pool and BBQ area for residents to use
- * High end finishes such as stone tops and polished tiles
- * Built in mirror front robes in all bedrooms
- * Air Conditioned through out
- * Private balcony with bushland views
- * Secure undercover parking for 2 cars

This is a very popular complex in a great location and built to a great standard. Low entry cost makes this property very affordable, so if you are looking to get your foot in the door, this one could be for you. Book your appointment today.
