The bathrooms are also all separate and a quality kitchen comes complete with sparkling stone bench tops and stainless-steel Smeg appliances. There is also approximately 17sqm of balcony entertaining space, impressively overlooking beautiful Claisebrook Cove.

Two side-by-side parking bays and two separate storerooms complement a constantly-heated complex lap pool that also boasts an awesome view over the Cove. Common gym and outdoor-barbecue facilities are simply the icing on the cake here.

Dual live-work zoning and the opportunity to run a business from the lower level whilst living above (or splitting the residence and renting the bottom while living upstairs) adds outstanding value to the property, also allowing you to take full advantage of an enviable East Perth location just five minutes from the city and within metres of shops, cafes, restaurants and the wonderful waterfront, also close to the exciting Wellington Square redevelopment and the new civic Perth Girls School precinct. There really is nothing else quite like it!
