Here is the perfect opportunity to escape the rat race, enjoy living the wonderful country lifestyle and work for yourself.

This thriving cafe/catering business has been established for almost 6 years and experiences a year round tourist trade, is well respected and supported locally with a strong loyal customer base and has a great income stream.

Open for breakfast and lunches the cafe seats up to 84 customers and also caters for after hours private functions. The kitchen is both modern and functional with all the necessary equipment a great chef requires.

Korumburra is both a thriving and progressive township located just over an hour from the South Eastern suburbs, is the gateway to the popular Great Southern Rail Trail and enjoys high volume passing traffic to the world renowned Wilsons Promontory.

With a secure long term lease and profitable financial figures this successful business is definitely worth consideration.

The hard work has been done, step in and enjoy the fruits!!!
