House 4 2 2

Perfect Living For The Growing Families

Everyone is required to register for viewing under the current restrictions, link at the bottom to pre-register.

This beautiful 2 level storey house from Burbank is sure to impress budding families. Incredibly modern, the modern façade and equally stylish interiors throughout is an added bonus.

The property features unique open plan living. As you step in there is a office/study with glass fitted sliding door. Suitable for tenant who are looking for working from home. Walking further there will be a separate lounge and dining area that overlook the garden and fully landscaped green backyard in progress, stunning kitchen appointed with a large island stone bench tops, stainless-steel appliances and built in pantry. Upstairs featuring a separate living area with four bedrooms, the master has single vanity ensuite with shower and walk in robe. All remaining bedrooms have built in robes with shelves and drawers and access to the central bathroom. Packed with extra features including mixed flooring (timber, carpet and tiles) , NBN fibre optics connections, evaporative cooling, ducted heating, separate laundry, powder room downstairs, safety locks for bathroom and bedrooms, double remote garage with internal access and six star energy efficiency.

Located strategically in the popular Address Estate, you will be just moments from the Explorer Early Learning centre and Central Park featuring modern playgrounds, cycling and walking paths and vast open space for the whole family to enjoy. You will also be just 600 metres to Sanctuary Lakes Shopping Centre, 850 metres to Saltwater Reserve, 3.5km to Point Cook Town Centre and 25km to Melbourne CBD.
