By Appointment.

The floor plan works well, with the master bedroom, walk-in robe and en-suite immediately to the right at the front of the house allowing the utmost in privacy, with the formal lounge room just a little further toward the back of the house.

Secure access from the double garage once the door is down, allows entry into the home through the passage, with tiled floors in all the traffic areas including the large family/meals area.

The kitchen is well appointed in plenty of cupboard space, with an island bench housing the dishwasher, sink, more cupboards and microwave shelf. Adjoining the kitchen is the meals area and large family room which opens out onto the alfresco area and backyard.

All remaining 3 bedrooms have built-in robes, the main bathroom has a shower and separate bath, with adjoining laundry and separate toilet.

To add to this impressive home, there is ducted gas central heating and ducted cooling.
