- Solar hot water plus photovoltaic panels – no power bills, low carbon footprint
- Single level ground floor apartment in tucked away at end of Bloomfield Street
- Spectacular views of the MacDonnell Ranges will truly take your breath away
- 2 bedrooms, both with built-ins and fans, one bathroom, light-filled kitchen
- Tiled open plan living with split system air-conditioning, carpet in bedrooms
- Large fenced courtyard – ideal for BBQs and admiring magic Range vista
- Single carport plus brick lock up storage for garden tools/camping gear etc...
- Complex has expansive grassy lawn area plus communal inground pool

- Walk to Gillen Club, Gillen Primary School & Centralian Middle School
- Suit investor, downsizer, entry level buyer...arguably the best views in town!

The perfect size for a single or couple it comprises two bedrooms, open plan living, one bathroom, light-filled kitchen, separate laundry, huge rear courtyard with outlook directly through Heavitree Gap, lock-up brick storeroom for tools/camping gear, and single carport.

Split system air-conditioning in living, ceiling fans, built-ins in both bedrooms, solar hot water and photovoltaic panels are inclusions of note; with the incredible outlook being the 'stand out' feature...there's even a view of the Ranges from the kitchen sink.

This particular unit has a larger courtyard than most and is certainly big enough for the kids or grandkids to play...BBQs will be a dream out here with that inspiring outlook, try out your photography skills, or perhaps even attempt to capture the vista on canvas.

What a spot!
