## Self Sustained Lifestyle Living

Fantastic property infrastructure ideally set up for small scale farming and self-sustainability.

3-bedroom homestead with large living area, enclosed sunroom and solar hot water.

Studio cottage overlooking the rolling hills of the property - ideal B&B or extended family living. Separate amenities block.

Massive 3-bay Garage with concrete floor, power and Solar panels.

Large sustainable raised Veggie gardens as well as a variety of fruit trees.

Three fully fenced paddocks including a large dam with solar pump.

Lovely undercover entertaining area at the back of the homestead with separate 2-car garage and single carport.

Very large chicken enclosures with water and feeding facilities.

Paddocks can run sheep, cows or horses or whatever you like.

Excellent property - book your private inspection today.
